

Judd Medical To Distribute 'Universal' Surgical Tools

Judd Medical Limited have been appointed exclusive UK distributors for the Shukla™ Medical range of Orthopaedic Extraction Instrument Kits.

Shukla™ Medical are a division of S.S. White Technologies and specialise in manufacturing high quality universal surgical tool kits for the extraction of IM nails, broken, seized and stripped screws and broken hip compression screws. The Shukla™ Medical range provides orthopaedic surgeons with a solution for the removal of all manufacturers' implants.

Judd Medicals' Managing Director, Peter Judd said: "We are looking forward to working closely with Shukla™ Medical to introduce this product range into the UK, we are extremely confident that the range of products will bring great time savings for surgeons involved in revision surgery and revolutionise the manner in which implants and hardware are removed from patients."
